195 Citizens Ink Petitions Opposing Park-Side Zoning

Signatures of at least 195 residents who live around Marchbanks Park are on petitions today, asking the planning commission at its September 10 special meeting to refuse industrial zoning for the park-adjacent parking strip area, sold recently to a cement contractor.

Spearheading the protest move is Joseph Sarto, resigned parks-recreation commissioner, who quit his post because he

said "the council sat on its hands and refused to buy the land from Southern Pacific—which will ruin the park operation."

Sarto, charging that the council neglected the recommendations of the recreation commission and citizens, said the latter body was not informed of the sale of the land until last month. He said the council, long discussing the land with Southern Pacific, sent a letter to the railroad company dated May 26, indicating it was unable to afford the \$29,000 asking price for the property.

Sarto said the parks-rec commission was not informed of this letter, and that cooperation from the council in the matter was nil.

The council, urging Sarto to reconsider his stand, assured him and fellow commissioners that it had full control of the zoning and would not allow a commercial operation to hamper the park facility.

The planning commission on September 10 thus will review the buyer's zoning request and at the same time consider the petitions against the commercial operation.

D. Piccinini, the contractor, has not publicly stated what his plans are for the strip.

Acting City Manager George Watts said he was sure Piccinini would provide the city with access to the park, as Southern Pacific has done in the past.

JUHS Trustees

Regular meeting of Jefferson High School District trustees is scheduled next Monday night, 7:30 p.m., at the district office, 375 South Mayfair, room 214.

FOUR BURGLARIES

Cops Query Suspect In Westlake Spree

At press time today police were waiting to question a young Daly City man in connection with the burglary at four stores on Westlake Court in the shopping center early Friday morning.

Police Sgt. Bruno Conci said the prime suspect in the store-by-store raid netting the thief over \$1000 in cash and clothing, was being held by San Francisco authorities in another crime investigation.

Stores hit by the burglar just before dawn were Arthur's Clothing, 36 Westlake Court; Westlake Music Center, 42 Westlake Court; Jay Vee Shop, 50 Westlake Court; and Franklin's, 64 Westlake Court. The intruder, using a tire iron to pry front door locks of the establishments for entry, went from one store after another in the "spree."

Colma Crash Sends Pair To Muni Court

Charges of drunkenness and disturbing the peace were filed against two San Francisco youths here Monday at 12:30 a.m. by Broadmoor police following a freak two-car crash on El Camino Real near A street in Colma.

Chief Ray Savage said Officers Merrill Baxley and Ronald Sinclair arrested "belligerent" Pablo Duran, 19, and Isidor Herrera, 18, both of 256 Nevada street.

The pair's '58 "borrowed" car, stopped in the middle of the northbound lane, was rammed and badly damaged by an auto driven by Philip Liberty, a San Francisco recreation leader. The Highway Patrol cleared Liberty of liability, Savage said, because the Duran auto did not have its headlights beaming and was illegally parked on the highway.

Both men had been drinking and were abusive to the arresting officers and Junipero Serra Hospital attendants, who treated Liberty and Mrs. Herrera for minor injuries.

The pair are due in court this week.

'Unify' Committee Meets At Westmoor

San Mateo County Committee on School District Organization will meet this Thursday night at 8 p.m. in the Little Theater of Westmoor High School to continue study of reorganization or unification of all districts within Jefferson Union High School District.

The committee of 11 members has been augmented by 23 trustees of the various school districts involved. Public is encouraged to attend the discussions.

Pershing Site To Stay Put?

Will Jefferson Elementary School District be able to build an adequate new Gen. Pershing School on the county line site, or will administrators have to take their only alternative — tear down the old Pershing plant on Hanover and build an adequate replacement there?

This puzzle might be solved next Wednesday, August 27, when JESD Supt. H. Z. Weibel and staff again carry the Pershing case to state school officials in Sacramento.

State Allocations Board, meeting here with JESD officials two weeks ago, said it would grant a loan to the district on only those acres proposed for the new school that lie in the San Mateo County and less than one acre of land over the line in SF.

Weibel said failure to get the full loan for about 9 total acres might cause state school planning officials to term a lesser-size site inadequate to accommodate Pershings present and projected student populations.

If state brass next week are of this opinion, then the only alternative the district has, Weibel pointed out, is to reconstruct the Pershing School — destroying the old plant and building an adequately-sized school site there. This would necessitate acquiring more land on both sides of the present Pershing School.

The loan for a 6½ acre school at the county line would give the district room for only 9 classrooms, instead of a needed 14, Weibel reviewed.

He said the old Pershing plant presently houses about nine classrooms, though it occupies less than one acre of land. Fourteen classrooms for Pershing, regardless where the new school will be located, are a "must," he declared.

The present Pershing cannot be used much longer and regardless of the state recommendation it will have to be leveled as soon as its students can be housed elsewhere.

Vote Register Deadline Told

Persons not registered as yet to vote in the November general election have until September 11, City Clerk Evelyn Mosman reminded today.

Individuals may register now at city hall, or with county Deputy Registrar Helen Villalba, who will be at King's Market for voting registrations from September 2 through the 11th.

Mrs. Villalba will be on duty at the market on weekdays from 1 to 5 p.m. and from 6 to 9 p.m., and on Saturdays from 9 a.m. to 5 p.m.

CITY Clerk Evelyn Mosman set date of public hearing on the new city budget this Thursday night, then set the tax rate after public hearing is held early next month. A 56-cent cut in property taxes is expected, lowering the rate from \$1.48 per \$100 valuation to 92 cents.

OUTSIDE FIRM WINS

Insurance Wrangle Splits Jeff Elementary School Board Vote

Liability insurance bids caused some amount of dispute at the Jefferson Elementary School District Board of Trustees meeting last week and

after the smoke had cleared the lowest bidder, The Fidelity and Casualty Company of New York, won out over three local bidders.

Legal problems were also encountered as two board members voted "aye" and three abstained from the ballot. Deputy District Attorney Lyle Edson checked Roberts Rules of Order and stated that failure to vote "no" constitutes a "yes" vote.

By this decision seven companies represented by Melford Battye, Wm. Lagomarsino and Company and Peter Markovich were left in the lurch. The next lowest bidder was \$218.84 more than the New York company's \$5992.

Albert Altman, Daly City representative of the A. M. Bender Company insurance brokers received the bid for his company. Accidents to employees and school properties are covered by the insurance.

In other business the board hired Agnes Coons, Lorraine Greenspan, Nancy Shankman and Monty Davis as teachers and E. J. Coxson as inspector for the Vista Mar and Vista Grande projects.

Bids were awarded to New Method Painting and Decorating Company (\$4600). The (Continued on Page 2)

Rec Department 'Round-up' Is Thursday Night

This Thursday evening, War Memorial Community Center will be the locale for the Daly City Department of Parks and Recreation and the Jefferson Elementary School district's Recreation Round-Up.

The public is invited, at no admission price, to a fine evening of entertainment. Doors open at 7:30 p.m. and close at 10 o'clock.

The first hour of the evening will highlight demonstrations and exhibits of the achievements of the children of Daly City, Colma and Garden Village. Arts and crafts, puppetry and hobbies will be on exhibition and demonstration, while summer dancing, tumbling and the music programs will be demonstrated by the local youngsters.

City-wide tournament champions will be seen in action in the pre-show program.

The climax of the evening will be a stage program in which the better acts from the various playground open houses will be performed.

The showing of color slides depicting the many summer recreation activities is also on the program. A good idea of the summer program can be obtained from viewing the slides.

FINAL AUTOPSY REPORT AWAITED ON DEATH HERE

Final coroner's report in the death of Mary E. Virzi, 44, a housewife of 824 North Mayfair avenue, was not released at press time today.

Mrs. Virzi was found dead Monday afternoon in the bedroom of her Westlake residence by her family physician, summoned by the victim's son, Ben.

Preliminary autopsy report received by Daly City police indicated exact cause of death was not yet determined though a coroner indicated that bruises on the woman's face were ruled out as having anything to do with her demise.

Police said Mrs. Virzi's husband was en route from Honolulu to attend the funeral this week in Las Vegas.

ORIENTATION DAY SET AT JEFF HIGH

Tuesday morning, September 2, has been set as orientation day for students planning to enroll in Jefferson High school this fall for the first time.

Required to report on this date by 8:30 a.m. in the Jeff high auditorium, main building, are all new freshman students and transfer students. Each will be tested and their first programs will be determined thereafter. The orientation program should be finished by noon, according to Principal John Morgan.

Jefferson High accommodates students of high school level to live east of Junipero Serra boulevard. The high school district's second plant, Westmoor high, houses all students west of Junipero Serra and from the city area.

Additional information on orientation day and the Jefferson high program can be had by calling the high school office, 5-6661.

The fall semester opens at the high school on Monday, September 8.

IRONING out Robert's rules-of-order for the August 31 benefit baseball game between the Daly City and Broadmoor police forces are Mayor Michael DeBernardi and Muni

Judge Tom Boeci, who'll be the opposing pitchers. Proceeds from the Sunday tilt, starting at 1 p.m., will go to the DC Police Athletic League program. Sobers attitudes

above indicate that both team leaders are dead serious. But there should be much room for laughs.

SALES TAX STIRS PROTEST

County Tax Upped 19 Cents

County supervisors Tuesday okayed a record \$25,326,564 fiscal budget which means a 19-cent county property tax hike for each \$100 assessed valuation.

The '58-'59 fiscal tax fee will thus be \$1.88 per \$100.

The increase was attributed to health, welfare and social service projects, employees' retirement program expansion,

and to finance land purchases. Robert Stallings, county manager, stirred some fireworks when he recommended that supervisors adopt a county one-cent sales tax. This, he said, would provide enough revenue to make the tax increase about 10 cents instead of 19.

Two supervisors Tuesday challenged Stallings' proposal,

but the other three on the board remained silent. Veteran Supervisors Thomas Callan of Colma and Edward McDonald were vociferous in opposing the sales tax. "I've always been against the levy," Callan said. "The penny tax in Daly City is driving people out of business."

Forty eight of California's counties have adopted this

county-wide sales tax. Daly City, Belmont, San Carlos and Menlo Park are the only San Mateo County cities (15 in all) enforcing the levy.

Daly City councilmen, by 3-2 vote, have requested that repeal of sales tax here be placed before voters on the November 4 general election ballot.

\$700,000 Highway Proposed

Concerted talks between Daly City and county officials with Crocker Estate began last week as proposals for annexation and construction of a seven-mile, \$700,000 Brisbane-to-DC major highway were unveiled.

Acting City Manager George Watts said last Thursday's joint meeting was "most satisfactory."

Annexation of the undeveloped and sprawling Crocker acreage, partly or completely, long has been Daly City's pet proposal—as the Crocker land could provide much needed light industry to lessen the current tax burden carried by homeowners.

The highway project, mapped out in the county master plan, is contingent on Crocker annexation to Daly City, since unless the Crocker land is under city jurisdiction, no gas tax funds would be available to meet the city's share to build the east-west highway.

Watts said the county has allocated \$40,000 for an immediate engineering survey on the proposed route and that Crocker officials have expressed willingness to cooperate fully.

Meeting last week to exchange ideas on the route were Supervisor Tom Callan Sr. of Colma, County Engineer Don Wilson, Councilmen Edward J. Dennis and Francis Pacelli, City Engineer Otis Calhoun, and the Crocker representative.

Watts said the highway would stimulate development of the Crocker lands, expedite north and southbound Peninsula traffic by providing a swift link from Brisbane to Daly City, and benefit all parties mutually.

The proposed four-lane route would start north of Brisbane and channel into Market street in Colma, currently being improved to major status extending through its present length.

Watts said sewer lines on Market street have been installed, and the major improvements work on the street will begin early in September.

SF Youth, 18, Admits \$1560 Burglary Here

Patrick W. Robin, unemployed San Francisco 18-year-old, is in county jail today awaiting sentence on a charge of filching more than \$1560 in personal property from the home of Harold Silvers, 99 Bellevue avenue.

Police Sgt. Bruno Conci wrapped up the July 28 burglary case after Robin was transferred here by Oakland police. The youth was detained across the bay for questioning in another crime incident, but he was cleared.

Robin, who listed his address as 585 London street, admitted the Bellevue break-in. A 17-year-old Jefferson High youth was sent to Hillcrest Juvenile Home last week for being Robin's accomplice. The high schooler, who said Robin gave him the loot to hide, was charged with possession of stolen property.

Conci said most of Robin's haul had been recovered. The main items taken were jewelry, clothing, a radio, and hi-fi records.

First Southern Baptist Hosts Arkansas Pastor

Southern Baptist Churches of the Bay Area will engage in a simultaneous effort to keep alive the spirit of evangelism which was fostered by the recent Billy Graham Crusade.

The response to the preaching of the Southern Baptist evangelist has led leaders of the local churches to invite 120 outstanding evangelistic speakers from all over the United States to converge on the Bay Area for a united effort in mass evangelism.

Services will be held at 7:30 each night from August 25 through September 7, except Saturdays.

The First Southern Baptist Church of Westlake will be host to Rev. William J. Sewell, pastor of the First Baptist Church in Searcy, Arkansas, during these special meetings. The services will be held in the Westlake Auditorium, 333 Park Plaza drive.

The auditorium is across the street from the new apartments now under construction. The meetings are open to the public.

300 Youngsters On Skating Trip

Last week 300 youngsters from the Daly City, Colma and Broadmoor areas participated in the annual skating party sponsored by the city recreation department.

Young Minister Assumes Broadmoor Nazarene Pulpit

Broadmoor Church of the Nazarene will have a guest minister for both the morning and evening church services this Sunday.

The Rev. John Fabrin, who makes his home near Santa Cruz, will be guest minister, while the Rev. Vernon E. Thomas, pastor, and his family will be on a vacation trip to the Redwoods.

Fabrin will preach at both the 11 a.m. service and 7 p.m. service. He is a graduate of Nazarene Theological Seminary, a graduate school for ministers and Christian workers in Kansas City. He has served as assistant minister and youth director at the First Church of the Nazarene, Calgary, Alberta, Canada. Currently he is assisting in the Chinese Church of the Nazarene in San Francisco, supply preaching, and recently has attended the Berkeley Baptist Divinity school.

B'nai Israel Seeks Members, Eyes Holidays

Rabbi Solomon A. Shore of Congregation B'nai Israel, 87 Los Banos avenue, and Cantor Gerry Marcus today asked Jewish families who are interested

RABBI SHORE ...he returns

in securing seats for the coming High Holidays to join the congregation.

B'nai Israel is the only conservative temple between San Francisco and San Mateo. It offers worshippers services in English and Hebrew in the traditional manner.

Rabbi Shore, noted speaker and lecturer, will bring to his listeners a close evaluation of the religion of Israel and the wisdom of Israel.

Marcus, accomplished singer and interpreter of Jewish spirituals, will bring soul-searching rewards and peace of mind with his chanting of the sacred prayers.

Ads and congratulatory messages are still accepted for the congregation's Golden Anniversary Journal.

Registration for Sunday school, Hebrew school and Bar Mitzvas as well as tickets for the High Holidays can be secured at 87 Los Banos avenue, every day except Saturday, from 10 a.m. to 12 noon.

Shore's sermon this Friday night will be "Our Spiritual Approach to God."

School Board Is 'Divided' On Insurance

(Continued from Page 1)
Manor Painters (\$3997), and Haney and Robinson (\$1886) for Westlake, Garden Village and Woodrow Wilson schools painting of buildings.

Dr. David Shapiro will do some research and will bring to the board at a later date his findings on whether to continue with the present plan, modifications or complete overhaul of the cafeteria policy. As of now there are cafeteria facilities in each building with some having preparation kitchens and others serving kitchens.

The staff of the board, including Superintendent H. Z. Weibel, Dr. Shapiro, Dr. Stratton, Dan Coleman and Mario Ciampi will go to Sacramento on Friday to confer with state office officials on Crocker, General Pershing and M. Pauline Brown school problems.

Weibel said that the overpass on Lake Merced boulevard has been held up temporarily as the school board must get permission from San Francisco to build such a device as it is on the latter's land.

The recreation department has asked the board for sprinklers in Westlake park but the board said they could not be installed until 1959. Engineer Coleman is currently in the process of drawing plans for the improvement of Thiers street in front of Vista Grande school.

Coleman's plans include street work (paving), parking space and drainage problems.

Also at Vista Grande, investigation is being made to determine what can be done to eliminate echo in the rooms and chalkboards are being repaired while board members are currently awaiting a letter from the engineer on the disposition of cracked floors at the Vista Mar School.

A house perched on top of a bank near Vista Mar may topple as the bank is caving away. In this case, the school district is being sued while an architect is conferring with the State Department of Finance to see what would be the best action to take.

Weibel said that the music room at Ben Franklin will be ready for bid on November 1. He also stated that the school district board is asking the city council for a meeting on August 27 to discuss mutual problems.

Due to a \$25 raise to classified employees and as an economy measure the board decided not to continue partial dress provisions for these employees. Some shirts and pants for men and dresses for women were previously given them.

New designations have been given to clerks of Dr. Shapiro and Dr. Stratton. Mrs. Lucille Sherer and Mrs. Loryane Salvo will henceforth be known as secretaries. Weibel's secretary Mrs. Jean Landis, now bears the title of superintendents secretary.

SAN PEDRO 9 WINS MIDGET LOOP IN SF

Dick Holmberg and Tom Snodgrass combined pitching efforts to give the San Pedro Lunch Midgets of Colma a 14-4 victory over Westlake Flying A last week for the championship of the SF Recreation Department summer league.

Al Digby, with 4 for 5, and Bob Rankin, 3 for 4, led the winners at the plate. The triumph gave Manager George Benson's restaurant nine a 5-1 record.

Next afternoon the San Pedro club defeated the unbeaten Sunset squad 7-6 to advance in playoffs for the all-San Francisco midget loop title. This week Benson's kids meet South Sunset in another hurdle for the crown.

Gus Sebastiani sponsors the San Pedro aggregation, which is marking its most successful diamond year.

DC Drug Club Detoured By Li'l Village

Daly City Drugs came from behind to win over the Brisbane Athletic Club 9 to 7 in extra innings at Marchbanks on Saturday, but the drug nine dropped a tight one to Li'l Village at the same park the next day, losing 3 to 1.

Barry Krohn lost his first game when he walked Welch, Townsend and Souza, then Holmes lined a double to center with two out for the only tallies the Village lads made.

Krohn did his best when he came up with Bill Hynes on first in the fifth. Barry lined a sure triple to left scoring Hynes, but was tossed out at the plate on a perfect relay from Richy Morales.

The defeat gave the Creighton-Krohn kids one loss, since PAL had to forfeit last Sunday's tilt when they used ineligible players. Billy Ludwigen started for the Tom Bournellis' youngsters on Saturday, but his wildness, walking three and hitting Stan Montalbo, cost him four runs in the second. George Claus came on to relieve, and even with walking nine, he scattered both the walks and hits, allowing one in the third and two in the sixth, but held them in the last two while his mates were fashioning four in the fourth, another in the sixth, two in the seventh to tie, then two go ahead runs in the eighth.

Sonny Stoller had three for four and four runs batted in. Eddie Walther and George Claus hit doubles, and Billy Hix lead off the go-ahead inning with a triple. Mike O'Leary got three rbi's and George Serrechia drove in the insurance run in the eighth.

Daly City Drugs play Pomona Tile for the "C" League Championship at Graham Field at noon on Saturday, then meet Dee's Associated for the Sunday Summer League closer at Marchbank Sunday at 11:15 a.m. Dee's took a 9-0 forfeit win over OLPH last Sunday.

HATS OFF TO PARKS-REC STAFF

Daly City's largest summer recreation program will be climaxed fittingly this Thursday night with a giant "Roundup and Talent Show" at War Memorial Community Center.

We hope parents will turn out in heavy numbers to witness the results of the vacation-months schedule, supervised by Director Dee Van Nest.

Daly City area youngsters, given an expanded summer program and the chance to be members of KIP and PAL, have displayed much talents in park-playground pursuits.

Despite the recent rock 'n' roll dance fuss, Daly City's 1958 summer slate was marked mainly by progress and top performances.

Van Nest and his staff, once again, deserve the plaudits of all, for conducting an efficient—though tight-economy—program.

Cal-Vet Educational Enrollment Reaches All-Time State High

Total enrollment of California war veterans under the "Cal-Vet" educational assistance program reached an all-time peak of more than 8800 at the close of the school year just passed, San Mateo County Service Officer Floyd D. Granger reported this week.

During the full 1957-58 year, enrollments were more than 22,000, of which some 650 were in the Division of Educational Assistance's out-of-state program. Training in schools outside California is authorized only for eligible veterans when it is necessary for post-graduate or professional college courses.

Veterans' applications for educational assistance increased by 15 percent over last year, and those from dependents were up 42 percent.

In view of recent emphasis on the critical need for teachers, it is interesting to note that an analysis of study objectives shows more World War II and Korean Conflict veterans chose teaching goals over all others, with more than 10 percent of the older veterans enrolled as education majors and nearly 32 percent of the Korean ex-servicemen also in this field.

The next most popular objective, again in both categories of veterans, was business administration. It attracted nearly 17 percent of the World War II ex-GIs and nearly 18 percent of the Korean. Engineering was third, with 11 and 13 percent, respectively.

These study objectives were followed in varying order by the technical trades, public administration, social science, branches of medicine, law and physical science. A small percentage were enrolled in light, theology, barber training, veterinary medicine and music.

Information on the Cal-Vet educational assistance program can be obtained from Granger in his office at the Courthouse, Redwood City. Eligible veterans interested in assistance for the fall semester should act promptly.

Along with the supervision of Assistant Police Chief Roy McLaren, Alexander has been administering serpentine, alley dock, diminishing clearance, straight line and opposite street tests to drivers at Woodrow Wilson School playground.

McLaren supervises the police functions of fire truck drivers in order to make certain they obey the law while driving on highways and city streets. He checks shifting, double-clutching, arm signals, etc.

Main purpose of the course is to get the best drivers assigned on each shift at the fire stations.

Patrol Advises Motorists Who Tow Trailers

Motorists towing boat trailers, house trailers, and other type trailers used for moving household goods should review the laws affecting such practice, warns the California Highway Patrol.

The following essential points were offered by Patrol Commissioner B. R. Caldwell for review by persons towing such trailers either by passenger car or commercial vehicle:

1. A 45-mile-an-hour maximum speed limit prevails unless a lower speed is posted.
2. Mechanical or electrical signals are required if hand and arm signals are not clearly visible from the rear.
3. The towing vehicle must be equipped with a mirror reflecting a view of the highway 200 feet to the rear.
4. One red tail lamp, a license plate lamp, one red reflector, and a stop lamp are required on each vehicle.
5. Hitches must be properly and securely mounted, with a legal safety chain to control trailer if hitch fails.
6. The trailer is required to follow substantially in path of the towing vehicle without whipping or swerving.
7. Registration card or temporary permit must accompany trailer.
8. Be sure the license plate is mounted not less than 12 inches nor more than 60 inches from the ground when the trailer is unladen.

Bus Tour Set For Teachers New To JESD

New teachers will be conducted on a special tour of Jefferson Elementary School district on Tuesday, September 2, from 8:30 to 10:15 a.m.

Dr. Vinton Stratton, director of instruction, said the bus tour would begin promptly at 8:30 a.m. from 48 Park Plaza drive, the parking lot area south of the Westlake Medical-Dental building.

Members of the district will serve as guides on the two buses and will narrate the tour and tell the new teachers about Daly City.

The Garden Center is composed of over 2500 members of garden clubs and Associate members who live on the Peninsula. Mrs. Clinton Horn, Director of District 4-B of California Garden Clubs, Inc. states that about 25 garden clubs in District 4-B belong to the Garden Center.

Doctor Domm Tells What To Do In Case Of Dog Bite

Always consult a doctor when your child gets bitten by an animal. Dr. Albert H. Domm, medical director in the western home office of the Prudential Insurance Company, warned today.

Dr. Domm emphasized that every animal bite is a potentially lethal wound and should receive emergency treatment. Because of the greater frequency of animal bites this time of year, he urged increased parental vigilance to prevent the death and injury of children.

"Because of the possibility of rabies and with dogs the chief carriers of this always fatal disease, parents should teach their children never to pet strange animals and never to tease neighborhood or family pets, no matter how familiar they are," Dr. Domm said.

"Parents should encourage their children to report every dog bite and take them to a physician immediately when a child is bitten. It is very important to learn the identity of the dog so that it can be located and quarantined."

Dr. Domm pointed out that all warm blooded animals are susceptible to rabies. Although it is mandatory by law in many communities for all dogs to be immunized, he said no parent can afford the risk of lightly regarding any bite their children get.

Cancer Society Thanks Paper For Publicity

Dear Mr. Bradshaw: Now that the very successful 1958 San Mateo County Cancer campaign fund drive is behind us for this year, on behalf of our 4,000 volunteers throughout the county, may we thank you for your generous allotment of space.

We consider that it was materially responsible for the overwhelming public response this year which, for your information, is carrying us up to the \$90,000.00 mark—the quota was \$80,780.00. This makes us the highest county in the state per capita income.

This was the first year we attempted concentrated publicity, and thanks to you, it has proven what newspapers can do in furthering a good cause.

We would like to enlist your continued cooperation. Although the formal fund-raising portion of our program is over, you understand of course, contributions are always needed. And we do have before us a continuing need to educate the public. We seek to remind them of the ever-present threat of cancer, because only in remembering to check up on ourselves in time can we help ourselves.

Again our most sincere expression of appreciation to you, not only on behalf of the Cancer Society, but the residents of this county whom you serve so well.

Cordially,
Grace Hedge
President

Parks-Rec Chief Lauds Coverage

Dear Mr. Bradshaw: The close of another summer recreation season is upon us. During the 1958 year a great many strides have been made in the fields of public recreation in Daly City and the surrounding areas.

Much of this has only been possible because of the public service effort which has been made by Marchbanks Publications to inform citizens of our community of the various recreation events. The Department of Parks and Recreation of Daly City has enjoyed an excellent working relationship with you and your staff. The excellent coverage which you have given us has made our job a more enjoyable one.

On behalf of our entire staff, my heartiest congratulations for a job which has been well done.

Cordially,
DEE R. VAN NEST,
Director Parks and Recreation

COUNTY WELCOME IS SCHEDULED FOR YOUNGER

A county-wide civic welcome will be extended to Congressman and Mrs. J. Arthur Younger upon their arrival home from Washington, D. C. on Sunday, September 7, it was announced today by Frank B. Ingersoll Jr., chairman of the Younger Congressional Committee. The affair will be held at the Villa Hotel in San Mateo.

City, county and state officials have been invited to join with the public in welcoming Congressman Younger home. Luncheon will be served at 1 p.m. in the Camino Room of the Villa and Younger will address the crowd, giving a first hand report of the activities of the 85th Congress.

Garden Club Again Tops In County Exhibit

Daly City Garden Club was awarded a first prize blue ribbon in the club projects amateur division at the San Mateo County Fair and Floral Fiesta.

The local garden clubbers selected the "Modern Buffet" section, and their exhibit was handled by Mrs. Joseph P. Schultz, club president, and Mrs. H. E. Kohlhauf.

The Daly City entry was aided by a buffet supplied by Frank Newman furnisher and the Rug Man, local merchant.

Pale green mums in an oriental-type container with tea pot and cup completed the modern Far Eastern effect as once again the DC club walked off with a top award.

Mrs. Kohlhauf, widely known for her distinctive flower arranging, competed in three of the professional competitions. She won one blue ribbon for first place and a red ribbon for second place in another category.

The DC Club's show committee is busy preparing for the group's annual exhibition at War Memorial building on Sunday, September 14. Mayor Michael DeBernardi will open the "biggest ever" show here with a traditional ribbon-cutting ceremony.

Brisbane Schools Begin Sept. 10

School opens for Brisbane elementary age youngsters on Wednesday, September 10, at Brisbane Elementary (K-5) and Natalie Lipman Intermediate (6-8 grades).

New students in the district may register the first day of class.

Local Lions Mark Hefty Schedule

Late August and early September will be busy for members of the DC-Colma Lions Club.

Ladies Night is this Wednesday at the Leaning Tower in South San Francisco. This Thursday afternoon the men meet the Coastside Lions at Sharp Park in their annual golf tourney.

Next regular meeting of the Lions is August 27, 12:10 p.m., at Millbrae's Green Hills Golf Club.

On September 7, the Lions will enjoy their annual picnic at Adobe Creek Lodge.

Volunteers With 'Hearts' Are Needed

No others need apply. It isn't a question of time because it requires very little. It isn't a question of money because it requires none. This is a direct appeal for men and women with hearts to give a few hours a week, maybe only a few hours a month, to bring fun and gaiety and perhaps laughter into the lives of some of the 1800 people who live at Laguna Honda Home.

When you are walking fast, their pace is slower—while you are going about the business of the day, they sit and watch you. And once you take an interest in them you are their friend—your next visit becomes an event.

It's all so simple. This is how it works.

Take the Glee Club for instance. Volunteers are needed to play the piano. Too much talent isn't required, just the ability to play and the joy of hearing others sing.

Volunteers are needed to shop for the patients in 21 hospital wards. If you have a car (and a heart) it would be so simple to do their little shopping on the outside for them.

Games are a big thrill at Laguna Honda, and volunteers are needed just one hour a week to supervise these events in each ward. And if you can supply a few trifling prizes, say a package of cigarettes, it would bring you more joy than it would them.

The beauty shop is the pride and joy of the women patients, but it needs volunteer operators—there must be many beautiful operators fortunate enough to be retired who could easily give an hour or so a week.

So all of you, with hearts, please phone the Laguna Honda Home, MO 4-1580, and ask for Betty Addisteen.

W'lake Reservist At Ft. Lawton

Major Thomas J. West, 1496 South Mayfair avenue, is a member of the staff at the annual two-week active duty training phase of the Army Transportation Corps School, being held this week at Fort Lawton, Washington.

Administering the course are members of the 6241st U. S. Army Reserve School of Spokane, Washington, commanded by Col. Charles H. Mackoff.

OFFICIAL NOTICE
OF SALE OF SCHOOL
DISTRICT BONDS

NOTICE IS HEREBY GIVEN that sealed proposals will be received by the Board of Supervisors of the County of San Mateo, State of California, at the office of the County Clerk, and ex-officio clerk of said Board of Supervisors in the Courthouse, City of Redwood City in said County, California, on TUESDAY the 16th day of SEPTEMBER, 1958, at the hour of 10 o'clock A.M. for the purchase of bonds of JEFFERSON UNION HIGH School District, of San Mateo County, State of California, more particularly described below:

ISSUE: \$390,000.00, 1957 School Bonds, Series B, consisting of 390 bonds of the denomination of \$1,000.00 each, numbered B-1 to B-390 inclusive. Said bonds are part of an authorized issue in the aggregate principal amount of \$2,900,000.00, of which \$1,135,000.00, designated Series A, have heretofore been issued and \$1,135,000.00 are now outstanding.

(The remaining \$1,375,000.00 principal amount of said authorized issue may be sold when and as determined by said Board of Supervisors, but it is anticipated that the bonds offered for sale prior to MARCH 1st, 1959.)

DATE: All of said bonds are dated SEPTEMBER 1st, 1958. INTEREST RATE: Maximum five (5) per cent per annum, payable annually for the first year on SEPTEMBER 1st, 1959, and semi-annually thereafter on MARCH 1st and SEPTEMBER 1st in each year. Bidders must specify the rate of interest which the bonds hereby offered for sale shall bear. Bidders will be permitted to bid different rates of interest and to split rates in respect of the maturities of said bonds. The interest rate or rates stated in the bid must be in multiples of 1/8 or 1/20 of one per cent per annum, payable as aforesaid.

MATURITIES: Said bonds mature serially in consecutive numerical order from lower to higher (without option of prior redemption) as follows:

PRINCIPAL AMOUNT	MATURITY DATES
\$10,000.00	SEPTEMBER 1st 1959 to 1966, both inclusive.
\$15,000.00	1967 to 1974, both inclusive.
\$20,000.00	1975 to 1982, both inclusive.
\$30,000.00	1983.

PAYMENT: Both principal and interest payable in lawful money of the United States, at the office of the County Treasurer of said County.

REGISTRATION: Coupon bonds will be issued by said Board of Supervisors on behalf of said District. Such bonds are

registrable only as to both principal and interest.

PURPOSE OF ISSUE: Said bonds were authorized by more than two-thirds of the voters voting at an election held in said District on MAY 17, 1957 and will be issued and sold for the purpose of raising money for authorized school purposes.

SECURITY: The bonds are general obligations of said District, and said Board of Supervisors has power and is obligated to levy ad valorem taxes for the payment of said bonds and the interest thereon upon all property within said District, subject to taxation by said District (except certain intangible personal property, which is taxable at limited rates), without limitation of rate or amount.

TAX EXEMPT STATUS: In the event that prior to the delivery of the bonds the income received by private holders from the bonds is of the same type and character shall be declared to be taxable under any Federal Income Tax laws, either by the terms of such laws or by ruling of a Federal Income Tax authority or official which is followed by the Internal Revenue Service or by the decision of any Federal Court, the successful bidder may at his option prior to the tender of said bonds by the Board of Supervisors, be relieved of his obligation under the contract to purchase the bonds and in such case the deposit accompanying his bid will be returned.

LEGAL OPINION: The purchaser will be required to furnish his own legal opinion as to the legality of said bonds.

Terms of Sale: The bonds will be awarded to the highest responsible bidder or bidders considering the interest rate or rates specified and the premium offered, if any. The highest bid will be determined by deducting the amount of the premium bid (if any) from the total amount of interest which the District would be required to pay from the date of said bonds to the respective maturity dates thereof at the coupon rate or rates specified in the bid and the award will be made on the basis of the lowest net interest cost to the district. The lowest net interest cost shall be computed on a 360-day year basis. The purchaser must pay accrued interest from the date of the bonds to the date of delivery. The cost of printing the bonds will be borne by the district.

RIGHT OF REJECTION: Said Board of Supervisors reserves the right in its discretion to reject any and all bids and to waive any irregularity or informality in any bid.

PROMPT AWARD: The Board of Supervisors will take action awarding the bonds or rejecting all bids not later than 24 hours after the expiration of the time herein prescribed for receipt of proposals; unless such time of

award is waived by the successful bidder.

PROMPT DELIVERY: Delivery of said bonds will be made to the successful bidder at the office of the County Treasurer of said County as soon as the bonds can be prepared which it is estimated will be within 30 days from the day of sale, but not prior to the date of the bonds.

RIGHT OF CANCELLATION: The successful bidder shall have the right, at his option, to cancel the contract of purchase if the bonds are not tendered for delivery within 60 days from the date of sale thereof, and in such event the successful bidder shall be entitled to the return of the deposit accompanying his bid.

FORM OF BID: All bids must be for not less than all of the bonds here offered for sale, and for not less than the par value thereof and accrued interest to date of delivery. Such bids, together with bidder's check, must be enclosed in a sealed envelope addressed to the Board of Supervisors of said County, and endorsed "Proposal for School Bonds of JEFFERSON UNION HIGH School District of San Mateo County."

BID CHECK: With each bid must be submitted a certified check or cashier's check for \$5,000.00, drawn on a bank or trust company transacting business in the State of California, payable to the order of the County Treasurer, to secure said District from any loss resulting from the failure of the bidder to comply with the terms of his bid. In addition bidders are requested (but not required) to supply an estimate of the total net interest cost to the District on the basis of their respective bids, which shall be considered as informative only and not binding on either the bidder or the District. Checks of the unsuccessful bidders will be returned by the County Clerk by mail, upon the award of the bonds. No interest will be paid upon deposit made by the successful bidder.

There is no controversy or litigation pending or threatened concerning the validity of the above issue, the corporate existence of said District, or the title of the officers to their respective offices.

Dated: AUGUST 12, 1958. JOHN A. BRUNING, County Clerk and ex-officio Clerk of the Board of Supervisors of San Mateo County, State of California. (Pub. August 21, 1958.)

NICKEL "STAMPERS" To guard against imperfections in high fidelity records, the "stamper" discs, used to press the records, are electroformed with pure nickel. Nickel is used because it can be plated with microscopic accuracy, resists corrosion from the plastics used, and can withstand deformation from the 80 tons of pressure required for each pressing.

WATER SYSTEM
IMPROVEMENTS

The Board of Directors of Brisbane County Water District, San Mateo County, California, hereby invites sealed proposals or bids for the construction of water system improvements.

All of said work is to be done in strict accordance with the plans, profiles and specifications made therefor and approved by said Board and on file in the office of the Secretary of said District, and to which reference is hereby expressly made for a more particular description of the work to be done and for further particulars.

Payments will be made in cash by said District to the Contractor on itemized estimates certified and approved by the District Engineer and said Board, based on labor and materials incorporated into said work during the preceding month by the Contractor, except when, in the judgment of the Engineer, the work is not proceeding in accordance with the provisions of this contract or when the total value of the work done since the last estimate amounts to less than one thousand dollars (\$1,000). District shall retain ten percent (10%) of the amount of each such estimate, and the accumulation of said amounts so retained from said progressive payments will be paid to said Contractor thirty-five (35) days after the completion and acceptance of said work by said District Engineer and said Board of Directors.

All proposals or bids shall be accompanied by a certified check or bidder's bond, payable to said District, for an amount equal to at least ten percent (10%) of the amount of said bid. Said check shall be forfeited or said bond shall become payable to said District in case the bidder depositing the same does not, within ten (10) days after written notice that the contract has been awarded to him, enter into a contract with the District.

Copies of plans, specifications and contract documents may be obtained at the office of the District Engineer, Wiley & Ham, 111 Rollins Road, Millbrae, California, upon the payment of \$5.00 and shall become the property of the purchaser.

Said sealed proposals shall be delivered to the Secretary of the District on or before 3:00 o'clock P.M. on the 28th day of August, 1958, in the District Office, 30 Visitacion Avenue, Brisbane, California. Bids will be publicly opened, examined and declared on said day and hour by the Board of Directors of said District.

DEAR FRIENDS AND NEIGHBORS:

As you know we have been circulating a petition among the residents of Daly City who live in close proximity to Marchbanks Park. This petition requests that the Planning Commission refuse to zone as an I (Industrial) District part of the Southern Pacific Right of Way running alongside Marchbanks Park.

On September 10, 1958 at 8:00 P.M. at the City Hall, Daly City, this matter comes up for final hearing before the Planning Commission. Many of you have already signed a petition protesting this indifference to the welfare of the children of our city. We are now asking that all of you attend this meeting on September 10th IN PERSON in order that the city officials will be made aware of the feelings of the citizenry.

Should the property in question be zoned Industrial it would result in the maintenance of industrial buildings and activities within a few feet of this park. Virtually all of the trees on the westerly side of the park will be destroyed, to the great damage of residential home owners in the vicinity.

In addition, this piece of land constitutes the primary method of ingress and egress from the baseball recreational facilities maintained at Marchbanks Park. As our city continues to grow, we will need more—not less—recreational areas for our children.

Finally, once this property is zoned Industrial, we have reason to believe that a cement yard or plant will be built and maintained thereon. If any of you have ever lived in the vicinity of cement operations you know the type of dust such an endeavor creates. If you have never lived close to one before, you may well find out in the future by personal experience.

So, if you want to help the children of this city keep their parks; if you want to prevent the creation of an industrial facility in your neighborhood which could well cause irreparable damage to your home and its value, be sure to attend the meeting of the Planning Commission on

Co-Chairmen In SM County For Engle Named

Dick Blum co-chairman of the San Mateo county Engle for-Senate Committee, today announced the roster of co-chairmen for the county Engle campaign. Blum also announced the appointment of Al Boardman, San Mateo Labor Leader, as county Engle coordinator.

The Engle co-chairmen appointments for San Mateo county are Stanley Berney, Betty Cook, Menlo Park; Joseph Schler, Atherton; Gerry Harlin, San Mateo; Ellie Heller, Atherton; Dr. John Kaster, Hillsborough; Alice Johnson, Pacifica; Elaine Nemer, Hillsborough; Arthur Pennabaker, South San Francisco and Floyd Lowe, Atherton. The co-chairmen are expected to announce the appointment of local area committees within the next few weeks, Blum said.

Two big tasks face the county chairmen according to Blum. The task is to make the Engle name known to the voters. The other job is to prepare for a grand scale Engle dinner in September which will mark Congressman Engle's major appearance in San Mateo county. County coordinator Boardman will take charge of planning for the dinner.

Holy Angels Announces Annual Fall Festival

Holy Angels Parish of Colma will hold its fourth annual fall festival September 18 through 21.

Father Thomas J. Farrell is honorary chairman, assisted by the general chairman, Tom Noonan.

Other chairmen are Glenn Lawson, Paul Shaffer, Lou Stark, Larry Ward and Bob Lapachet.

The festival, with a theme of "A Holiday in Rome," will be

held on the parish grounds, San Pedro Road, Colma. Among the features will be a cake booth, Italian booth, ham and bacon, panda booth, doll booth, home-makers booth, plant booth and treasure hunt. A snack bar will also be open for the convenience of the public.

The festival will be climaxed with the presentation of the main award on Sunday, September 21, which consists of a two weeks' trip to Rome for two.

Shopping Center Schedules First Junior Drawing, Big Carnival

Boys and girls, 16 years of age or younger, will be the only people eligible to participate in Westlake Shopping Center's first "Junior Drawing."

Top prize of 13 awards which will be given away to boys and girls will be an all-expense trip for two to Disneyland. This will be followed by a cash award of \$5 per month for a year; a boy's bicycle and a girl's bicycle; a boy's wrist watch and a girl's wrist watch; a camera; a twenty-five dollar merchandise order (good in any store in Westlake); and five \$5 merchandise orders.

Tickets for the new contest will be available immediately in any store in Westlake and the drawing will take place in just four weeks, on the afternoon of Saturday, September 20 at 3 p.m. Tickets are free for the asking in any store. The only requirement to participate is that the boy or girl have either his father or mother with him at the time the drawing is held.

Coincidentally with the drawing on September 20, the

largest carnival ever held in the area will be staged in the Westlake Shopping Center. The carnival will commence September 16 and continue through the 20th.

The Disneyland trip will make it possible for the winner to take his father, mother, older sister or older brother with him. He will fly to Los Angeles on a TWA Constellation.

The \$5 a month for a year will be set up as a trust fund for the winner at Bank of America in Westlake. Each month the bank will pay the winner five dollars in cash to use as he or she sees fit.

The bicycles, watches and cameras which will be a part of the prizes, are now on display at Westlake Shopping Center.

Westlake's first "Junior Drawing" will be followed immediately by a major drawing for adults, in which a new automobile will be awarded as top prize. Details of the drawing for "grown-ups" will appear in the newspapers immediately after the "Junior Drawing."

Legion, Auxiliary Install Officers

North Coast American Legion Post 571, joined with its Ladies Auxiliary Unit recently for a festive meeting at which the newly elected officers for both organizations were installed. The installations were held in Veterans Hall, Paloma Ave., Sharp Park, which was filled to capacity with many guests and friends. Both organizations were honored by the presence of many of their State, County and District officers.

Extra Services Eliminated For Temple Judea

Charles Becker, president of Congregation Judea, today announced that arrangements have been made to eliminate extra services at different hours. In the past, double services have required families to separate and pray at different times. Since we believe a family who prays together, stays together, this year Congregation Judea has made arrangements to hold combined Holy Day services at the mammoth new California Masonic Memorial Temple on Nob Hill in San Francisco. This will be the first time a Jewish Service has been held in the beautiful Temple B'nai B'rith which seats 3200.

Public services will begin next month and be conducted by Rabbi Irving F. Reichert, Jewish scholar and pastor of Temple Judea, who will lead a series of important services dealing with the basic principles of Judaism as applied to today's events.

Sam Roth, Cantor-Soloist will be assisted by the Temple's famed Choir, augmented by San Francisco Symphony members and Dr. W. Ird Beck at the organ. Willness seating arrangements are required to accommodate the anticipated capacity audience. Reservations may be made now by calling Temple at PL 5-6362, said Congregation President Becker.

performers in the professional world of show business have been supplied by Benny, Horace Heidt, Jack, Bob Hope and Oliver Johnson. The show also named as the official auditioning unit for Walt Disney's national talent quest in 1956 and 1957 in Northern California, succeeding in placing 16 acts on the nationally televised "Mickey Mouse Club."

Winners on the weekly show advance to the quarter finals held every three months and from there, the top contenders advance to the annual finals. Cash awards are made on all shows. Top professional judges and local theatrical stars judge the quarter and annual finals.

KIDS SHOW PARK SKILLS IN WESTLAKE

Recreation activities continued to buzz last week in the Westlake area.

Macaroni jewelry, paper leis, necklaces, and bracelets were fashioned in the arts and crafts program.

High interest in science at Westlake School was climaxed with exhibits and demonstrations at the open house. Children displayed their projects on space, while the effects of magnetism were shown.

Westlake Park's mosaic flag with 49 stars is completed. Mike Lineir and Ronald Reed

drew the flag. Mosaic workers were Ruth Ann Dunn, Steven Evans, Charles Pengrad, JoAnn Pollat, Bruce Saltzman, Diane Tilley, Cheryl Thompson, Joel and Karen Wine, Steve Zweig, Scott and Jeff Johnson, Lorraine Mills, and Ken Solari.

Jerry Montague was declared carrom "player of the summer" at Olympia School playground.

Trout Re-Stocked

This week the Gazes and Pescadero creeks in San Mateo County are scheduled to be restocked with catchable-sized trout by the Department of Fish and Game. Anglers are reminded that this is tentative and subject to change, depending on water and road conditions and other factors.

Rec Department Golf Class Getting Sharp

Daly City's weekly golf class under the professional guidance of Midge Pierce, continues to grow, as the skill of the participants increases.

Golfers who didn't know how to grip a club are now worrying about their approach shots. This week's stress was on the importance of a smooth swing. Next week's schedule involves instruction in the use of short irons.

Classes scheduled for September 10 and 11 will be held at Winston Manor Golf Range. Special rates have been arranged for all registered members of the class. Balls will be furnished class members for 50 cents per bucket.

This golf class is held every Wednesday evening from 6:30 to 8:30 p.m. at Westlake Park and on Thursday nights from 7 to 9 p.m. at War Memorial gymnasium. It is sponsored by the Daly City Department of Park and Recreation. There is no charge for instructions.

Cougoule's Homer Beats DC Reds

Paced by Ray Cougoule's grand-slam homer, the PAL Braves defeated the Daly City Reds by a 9-7 margin Friday in baseball action at Marchbanks diamond.

Mark Perry was winning pitcher, giving up but three hits—one a homer by Marty Oertwig.

Brisbane AC Wins Peninsula League

FORMER Jeff High athletic standouts dominate the roster of the pennant-winning Brisbane Athletic Club, champs of the 1958 Peninsula Baseball

League. The Brisbaners have an 8-1 record with one game to go. Front row, left to right: Ed Mirza, Willie Green, John Donham, Bill Strassburger Jr., Bob

Strassburger; Mansel Roland, Rich Trantham, Steve Kullbom and Larry Blanchard. Standing (from left): Art Madonna, Gene Firth, Barrie Haanen,

Don Johnson, Tom Cloutier, Ray Vuillemainroy, Dick Firth, Gary Ryan and Don Delbon. Manager is Bill Strassburger Sr., one of Jefferson's first

pitching greats.

Jeff Hi Aces Dominate New Champs' Squad

Former Jeff High sports aces proved the trump cards last week as they helped Brisbane Athletic Club clinch the Peninsula Baseball League title by

downing San Jose, 5-4. Second place San Bruno lost its final chance for the pennant, losing the same afternoon to Burlingame in 10 innings, 5-3.

Barrie Haanen and Tom Cloutier were the plate heroes for the new champs, while Ray Vuillemainroy and Don Delbon shared pitching chores in the decisive tilt with San Bruno. Cloutier, a soph at University

of California, slammed a two-run-scoring double in the sixth inning to give Brisbane a one run margin. Haanen, who had 3 for 4 in the game, then laid down another perfect bunt to tally Cloutier from third with the final Brisbane run. There were two outs at the time.

Vuillemainroy and Delbon combined to strike out 9 San Jose batters, allowing the invaders only six hits en route.

The Brisbane squad, skippered by another former Jeff High great, Bill Strassburger Sr., ends its loop campaign this Sunday against Utah Construction Company of South San Francisco. The tilt is scheduled for SSF's Orange park.

Fourteen of the 18 members of Strassburger's team are Jefferson graduates.

Ryan Set For Kezar Prep Game

Gary Ryan, Brisbane's all-around performer for Jefferson High teams, will be in the West Bay lineup this Sunday at Kezar stadium for the annual 20-30 Club charity football scramble with the East Bay preps.

Though shaken up in practice last week, Ryan is shipshape again and will see duty at offensive end for the West squad. His coaches for the classic, Capuchino's Paul Baldwin and Sacred Heart's Doug Scovil, believe Ryan has excellent potential for college ball.

Gary, who reportedly is ready to enroll at University of Utah this fall, starred for Jefferson in basketball, football and baseball. Last season for Joe McGrath he led the Peninsula League in pass receiving.

Mike Orlich, Jefferson physical education director, will be on the field Sunday as an official. He's on the permanent staff for the annual game.

Parents View Open House At Play Sites

Last week each playground east of Junipero Serra was busy preparing for open house events.

Parents witnessed talent shows, arts and crafts exhibits, hobby exhibits, and games. Crocker School leader Bob Sexton had a display entitled "Recreation Machinery." The exhibit entailed the various details involved in being a playground leader. Refreshments rounded out the evening.

War Memorial Community Center reports Ed Berry and Bill Jones as the champions of its shuffleboard tourney. Second place went to Kathy Albee and Diana Caruso.

Mrs. Ida Chervallave, C. Week, Mrs. P. Schultz, and Herman Alcalde of Colma School played to provide as Schedules

School bus schedules were placed in the windows of various markets and prominent places Monday in order to show pupils the correct time and pick-up locations.

The bus schedules take in the trip to and from Jefferson Elementary Schools in the District. Registration of students will be accepted on the morning of September 5 at the 13 schools, according to Dr. Vin-ton Stratton.
